

# Gender & Women's Studies Colloquium Spring 2018

CENTER FOR RESEARCH  
ON GENDER & WOMEN

**Thursday, April 26  
3:45 pm  
3401 Sterling Hall**

## **Janet S. Hyde**

Evjue-Bascom Professor  
Helen Thompson Woolley Professor of  
Psychology and Gender & Women's Studies  
Director, Center for Research on  
Gender & Women  
University of Wisconsin—Madison

### **"The Gender Binary: Challenges from Psychology and Neuroscience"**

The gender binary has been much critiqued in gender and women's studies, but generally from a theoretical point of view. In this talk, I synthesize empirical data from five lines of research, spanning neuroscience and psychology, all of which challenge the gender binary.

Wheelchair accessible, free, and open to the public.

Sponsored by the  
Center for Research on Gender and Women
